

H263/H273 Lima

The foldable shower commode that comes with everything

Yes, you can.®

The *Invacare Lima* is the perfect choice if you are looking for a space-saving and fully equipped shower commode. All accessories are already included and the easy-to-handle folding mechanism provides a perfect storage solution for institutional and home care demands.

The rust resistant aluminum framed commodes are ideal in the shower for users who need assistance for their personal hygiene.

Space-saving foldable design

See how easy a shower commode can be folded. The *Invacare H263 Lima* and *Invacare H273 Lima* are ready for storage or transport in just a few seconds. This saves space in the bath- or repository room.

Variable seating positions

The padded 4-position seat of the *Invacare Lima* provides maximum comfort for its user and can be used over every toilet. It can be easily adapted and perfect adjustment for individual patient needs is possible.

Features and Options

Wheel options

The choice of 5" castors or 24" self propelling wheels provides a custom fit solution.

All corrosion free

The aluminum frame and stainless steel hardware makes it completely rust resistant.

Soft backrest

The fabric backrest shows maximum comfort to the patient.
