

Comet[®] Ultra

Feel the Freedom

A premium scooter with extra weight capacity
for exceptional power and performance

Yes, you can.

Feel the difference

Our scooters have been designed together with healthcare experts, to provide unrivalled standards of quality, safety and comfort.

Through continuous dedicated research and an unrivalled experience in designing for mobility, at Invacare we pride ourselves in scooters that improve quality of life. Being able to regain confidence, trust and independence from your scooter is important.

From ergonomic steering controls to the adaptable cushioned seats and adjustable seat risers, every detail of our scooters is considered and refined to make getting about feel great.

Quality

Market-leading build quality with exceptional attention to detail.

Safety

Compliant with the latest European Medical Device Standards.

Comfort

Adjustable design to provide lasting comfort.

Feel in control with Comet® Ultra

Ideal for those with larger body shapes, the Comet® Ultra offers a secure, supportive and powerful driving experience without compromising on style or functionality.

Packed with all of the safety features and driving characteristics seen throughout the Comet® family, the Comet® Ultra will get you to

your destination quickly and efficiently, in complete comfort and control.

Improved performance

- Easy drive direction to keep you in a straight line at high speeds
- Advanced suspension ensures a smooth and comfortable drive over uneven terrain
- Ergonomic steering for added control
- Designed for all-terrain performance
- Anti-splash guards

Safety in mind

- Automatic speed reduction for safe cornering
- Two-step disengaging lever to prevent free-wheeling
- Brake lights and indicators
- Headlights for improved visibility

Built around comfort

- High quality cushioned seat
- Adjustable steering column
- Adjustable seat height
- Flip-up armrests and swivel seat makes getting on and off easy

Auto-speed reduction

reduces speed around corners for added safety

Adjustable steering column

for responsive control and improved comfort

Improved suspension

Reinforced seat column

Height and width adjustable reinforced armrest for extra support
