Alber® | **e-pilot**

Add-on scooter for manual wheelchairs

The **e-pilot** turns your wheelchair into a sporty vehicle in a matter of seconds. Just a few simple steps to attach the **e-pilot** to your wheelchair and you have a dynamic combination for everyday life. Conclusion: the **e-pilot** offers an environmentally friendly mobility alternative with maximum driving pleasure!

Maximum flexibility

Take a quick trip into the city, visit friends or just a quick run with the dog; the **e-pilot** makes it possible. Even longer distances are not an issue for you due to the large lithium-ion battery pack. When you arrive at the destination, you simply undock the **e-pilot** and use your manual wheelchair as usual.

Enjoy the freedom

The **e-pilot** offers you a new kind of mobility. The large front wheel, allows you to expand your options: A dirt road or cobblestones are no longer obstacles. Even over a curb, just not a problem. The sturdy chassis, integrated battery pack and powerful drive wheel combine to make a sporty design with sophisticated ergonomics perfectly. The large front wheel allows you master bumps and obstacles like curbs with ease.

Arrive faster

The optionally available Mobility Plus Package will get you to your destination faster, ensuring a real driving pleasure. Thanks to the combination of mobility App and smartphone you gain access to a wheelchair-friendly navigation function and a speed extension up to 20 km/h. The cruise control feature also rounds off the experience of relaxed driving on longer stretches.

e-pilot Mobility App and Mobility Plus Package

Launch the Mobility App on your smartphone and have access to a lot of information at a glance. In addition, the Mobility App contains valuable tips and tricks for everyday life with your **e-pilot**. Get more clever functions with the Mobility Plus Package:

- Speed: maximum speed up to 20 km/h
- Cruise: maintaining your selected speed
- easyNavi: navigation for wheelchair occupants
- phone: call and SMS notes on the display (only android)

Scope of delivery
