

Styxo 2

dual-function toileting solution

Our next generation of toileting solutions

Dual-function, adjustable, supportive

Yes, you can.®

Introducing our latest 2-in-1 commode and frame

Styxo 2 is a simple and cost-efficient toileting solution with two functions. It can be used as a commode in the bedroom as well as a supportive frame around the toilet within a bathroom environment.

The new Styxo 2 has an improved design in fresh new colours and is extremely easy to clean. It comes complete with a toilet pan and splash guard. No accessories required and therefore presenting an ideal and complete toileting solution.

Key features:

- > Robust and supportive toilet frame
- > Easily adjustable for perfect seat height from 38 - 53 cm
- > Complete commode package with seat and lid, pan with lid and splash guard
- > Tool-free assembly
- > Higher maximum user weight of up to 159 kg
