

THE INVACARE ACTION FAMILY

ACTION 1R

DESIGNED FOR

Occasional short term use. The Action 1R is a cost effective, durable product that is ideal in a care-home environment or as a basic chair for users with reduced mobility.

COLOUR OPTIONS

- Pearl Grey
- Blue Ocean

TOP FEATURES

- » Proven build quality
- » Swing away armrests which can be easily removed for transport

ACTION 2NG

DESIGNED FOR

Occasional or short term use. The Action 2NG is lighter than the Action 1R making it an ideal choice for more independent users in addition to a care-home environment.

COLOUR OPTIONS

- Anthracite Black
- Pearl Grey

TOP FEATURES

- » Adjustable centre of gravity
- » Aluminum, lightweight frame, for easy transportation

ACTION 3NG

DESIGNED FOR

Independent, everyday, fulltime use. The Action 3NG is extremely configurable and can be adjusted for changing user needs. It is ideal for users with changing physical conditions.

COLOUR OPTIONS

- Anthracite Black
- Matt Black
- Slate Grey
- Hypnotic Purple
- Blue Pop
- Ocean Blue
- Matt Red
- Dark Red

TOP FEATURES

- » Folding forward backrest for easier transportation and storage
- » Reclining backrest, which allows repositioning in one continuous movement
- » A market leading, lowest total weight of 13 kg and transportation weight of 7.5 kg

ACTION 4NG

DESIGNED FOR

Independent, everyday, intense use. The Action 4NG features higher stability due to double cross frame and offers an even wider range of sizes vs. the Action 3NG, including a heavy duty model.

COLOUR OPTIONS

- Anthracite Black
- Matt Black
- Slate Grey
- Hypnotic Purple
- Blue Pop
- Ocean Blue
- Matt Red
- Dark Red

TOP FEATURES

- » A stepless, adjustable folding backrest allowing for easier storage and transportation
- » A market leading, lowest total weight of 14 kg and transportation weight of 8 kg

ACTION 5

DESIGNED FOR

Independent users who spend all day in their chair and demand more performance. Customisable with high quality components, this chair blends innovation with performance

COLOUR OPTIONS

Choose from 10 frame colours and 3 accent colours. To choose your combination go online to: Invacare.eu.com/Action5

TOP FEATURES

- » A unique, H-Shaped folding frame allows compact folding
- » Extreme, low rolling resistance from the same frame
- » A patented, stepless, angle adjustable backrest system with forward folding function

ACTION 3JR

DESIGNED FOR

Children from the age of two years and up. The chair is built to support a child's growth and changing needs, as well as having a range of customization options to give them the freedom to make the chair more personal.

COLOUR OPTIONS

- Pearl White
- Matt Black
- Matt Red
- Intense Yellow
- Polar Blue
- Candy Pink

TOP FEATURES

- » A telescopic cross brace which optimises the chair to the changing shape of the child as they grow
- » A range of customisation options designed for kids
- » Adjustable seat position and centre of gravity settings to optimise propelling for the user
